

## Cover Art (no handout for this assignment)

This is a pre-reading activity where the students look over the topics of the chapter we are about to read.

### Assignment:

On a white sheet of paper, the student writes the title (from the page number listed i.e. Cover Art P140 would have the title from page 140), their name, period & row number somewhere on the page. Then they choose any picture from the entire chapter to draw. They can also make up there own picture so long as it has to do with one of the topics from the chapter.

### Grading:

Cover Art is worth 3 points. 1pt for the title, 1pt for there name/row/period, and 1pt for the picture.
