

Triangular Trade Map

Instructions:

1. Write the title "Triangular Trade" in the long thing box at the top of your map
2. Use the textbook map (page 56) to label the following areas:
North America South America 13 Colonies (as a group) West Indies Great Britain Europe
Africa Atlantic Ocean Pacific Ocean Caribbean Sea
3. Color each of the following a different color
The 13 Colonies (as one group, not each colony) All other land Oceans & Seas
4. Draw the Trade Routes (the blue and red lines) and label the goods traded on each.
5. Put your name and period on the back of your map at the bottom. If your map is used for a bulletin board the instructions will be cut off at the dotted line and your name will need to be on the back.
